## **Winter Safety Reminder**

It is that time of year again – WINTER! Some people love it and some people hate it but no matter what your feelings are towards the season, winter conditions create hazards that require consideration, planning and controls to prevent unnecessary harm to people. Three key winter hazards are poor driving conditions, slips, trips and falls, and exposure to the elements. Please see attachment for some winter safety reminders.

---

## Short Course in Industrial Oilfield Chemistry

Monday, May 26, 2008  
Westin Hotel, Edmonton

For more information and registration, see the attachment or visit the CSC 2008 web site at [www.csc2008.ca](http://www.csc2008.ca)

### Job Postings

#### **Attention Employers and HR Professionals!**

Job advertisements are posted on the Website for a one-month period and also emailed to the membership. There is a \$100 fee for this service (very reasonable for this highly-targeted audience of professionals). This fee is waived for job advertisements submitted by Professional Chemist (members in good standing) on behalf of their companies. Ads may be emailed directly to the [ACPA Office](#).

Current Job Postings listed at [www.pchem.ca](http://www.pchem.ca).
