Application Checklist and Supporting Documents

- Completed application form
- An official transcript that includes the grades of the most recent eight chemistry courses completed and that indicates your registration in a CSC-accredited chemistry program at a university in the province of Alberta.
- A letter of 100 to 200 words that describes the applicant's contributions to the chemical profession through volunteer activities and details of membership in any chemistry related organizations (such as the ACPA, the CIC and chemistry student societies).
- The names and telephone numbers of two or more individuals who collectively can verify all information provided in the letter. Copies of certificates, diplomas, awards, reference letters or other documents that substantiate the activities described in the letter should also be provided (if available).

Details of the scholarship award criteria can be found on the Awards page at www.pchem.ca. The deadline for applications is **March 31**. The application form, transcript, letter, and all additional materials must all be postmarked no later than this date.

Signature of Applicant
